## ENGINEERING & CONSTRUCTION

Tel. : 432196 - 432850 - 4532233 Fax: 439358 Tlx: 2677 SPTC PK.

### TO WHOM IT MAY CONCERN

It is certified that M/S. Ittehad Steel, Islamabad have been our suppliers for the entire reinforcement steel used for the construction of our following projects:

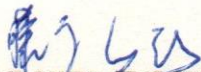

1. SIMLY DAM LEHRAR ROAD, NEAR ISLAMABAD NORTHERN REGION
2. BRIDGE AT HARIPUR HAZARA

Deformed and Cold-Worked rebars were used in the above mentioned projects and were found to be of high yield, in accordance with ASTM-A615 and BSS 4461 respectively as proven by the tests carried out by the consultants.

The steel was used under the strict inspection of our engineers and the consultants and its performance was duly appreciated by all.

We are grateful to M/S Ittehad Steel for their support in the completion of these projects.
