

Dated: December 3, 2007

**TO WHOM IT MAY CONCERN**

We have successfully procured Steel Reinforcement Bars of ASTM A615 Grade 40 and Grade 60 of various diameters from Ittehad Steel, Islamabad for our following Project during March 12, 2007 to July 03, 2007.

**“Construction of two additional Underpasses on 7<sup>th</sup> Avenue at link between G-6 & G-7 i.e. Khushhal Khan Road and F-6 & F-7 i.e. College Road, Islamabad”.**

Their steel is being tested occasionally and has been found fit for use by our engineers.

Regards,

Ch. Tahir Hussain
