TO WHOM IT MAY CONCERN

We at the Islamabad Chamber of Commerce and Industry are proud to recommend M/s Ittehad Steel to any organization or an individual for the supply of Reinforcement Steel. They have supplied quality steel to us for our newly erected office building in its entirety. All steel was up to the mark and our engineers and consultants were pleased to confirm the results after testing of each consignment. The people at ITTEHAD STEEL have the quality of prompt and efficient service, including a customer service center.

We can be assured of ITTEHAD STEEL earning new admirers as they proceed in the course of business.
