To Whom It May Concern:

Ittihad Steel Mills Islamabad was visited by our team of Professional/Experts and found to be of our standard/specifications which meet our stringent criteria of quality control and Management.

The steel has been utilized by this organization on our different projects. Their steel when ever checked and tested from independent source has found to confirm to international standard of ASTM A 615 Grade 60.

We confidently recommend the use of steel from ITTIHAD STEEL ISLAMABAD.
