Dear Sir,

Subject: Lahore - Islamabad Motorway Project
Reinforcing Steel.

We have inspected the facilities of Ittehad steel Re-Rolling mills in Islamabad. This plant is hereby approved to supply reinforcing steel to this project subject to :-

1. All steel must be purchased from Pakistan Steel in Karachi
2. The tensile testing machine is to be calibrated every six month
3. All steel is to be tested at the mill before shipping to site.

Yours faithfully,
