

LETTER REF:

DATED:

786/1296-L/09

Lahore

12th November'2009

Mr Maroof,
Ittehad Steel Industries,
Plot # 417,
Sector 1-9, Industrial Area,
Islamabad

TO WHOM IT MAY CONCERN

We are pleased to state that we are regular consumer of reinforcement steel bars of different grades/Standards manufactured by ittehad steel, Islamabad.

Steel of International standard of ASTM A615, both Grade 40 and 60 manufactured and supplied by M/S Ittehad steel Islamabad has been used at several projects/buildings constructed by our firm M/S Mughals Pakistan (Pvt) Ltd which includes.

1. Serena Hotel Islamabad.
2. National Bank of Pakistan, Regional Office, Islamabad.
3. Intercontinental hotel, Islamabad.

Our business partnership with Ittehad steel is based on a professional understanding with no compromise on quality standards.

Mughals Pakistan (Pvt) Limited
